

PROGRAMME OF ACTIVITIES FOR 2018 (180th SESSION)

This page was last updated on 9 July 2018. Please note that some of the details provided below could be subject to change. Please continue to check with this website page and the [YGS Facebook](#) page for the latest information regarding upcoming meetings and events organised by the Society.

All events are free to attend for YGS members, and we always welcome non-members.

Some events, particularly fieldtrips and excursions, may require pre-registration and may have a limited number of spaces available. Please don't hesitate to contact secretary@yorksgeolsoc.org.uk if you have any queries regarding attendance at any of the Society's events.
